

Together for Bandon's Health

2017 Year-End Campaign at
Southern Coos Hospital & Health Center

Donation Form

Thank you for considering a year-end donation to our Together for Bandon's Health campaign. This campaign will result in the purchase of 22 new IV pumps for our medical-surgical and emergency departments, along with a new sonic cleaner for our operating suite. These purchases will make a patient's stay that much more comfortable and safe and bring our hospital up to the most current medical standards possible.

This year, we are pleased to announce that we have received a \$30,000 matching gift. Any and all donations up to \$30,000 will be matched. This means that not only are you doubling your money but you are doubling your impact.
