

Southern Coos Hospital & Health Center Quarterly Art Show

Call to Artists

“Patterns, Shapes and Colors”

The Southern Coos Hospital & Health Center will be hosting a show of artworks created using all sorts of patterns, shapes and colors. Some thoughts: Using surface designs, tile patterns, geometric shapes in wonderfully contrasting colors, artists may possibly look to Gustav Klimt, William Morris or some of the Op Art artists of the 60's for inspiration. Dots, circles, squares, triangles, stripes, letters and numbers are all fair game.

Artists may enter 1-3 pieces using painting, collage, mixed media, drawing, photography or assemblage in all artistic styles: representational, abstract, or futuristic. All works must be able to be hung on the wall.

Please remember that art on the hospital walls is meant to entertain and de-stress the patients, families, staff and general visitors. It is not a venue for nudity, violence, morbidity, or a political soapbox. Thank you for your continued positive approach to art in these shows.
