

Southern Coos Hospital & Health Center Quarterly Art Show

Call to Artists October 2026

Skyscapes!

When we step outside our eyes are drawn upward to the sky - nature's source of light. Plant life reaches toward the sun for its life sustaining rays. Romantics and scientists alike peruse the night skies arrayed with moons, stars, planets and space debris. As artists we see not only the physical objects above, but the effects that light and shadow render, cloud shapes, colors, the immensity of atmosphere. We recall stories of mankind's interaction with celestial phenomena throughout history.

We invite you to tell your own stories of memorable skies with a variety of artworks that fill the hallways, and spark the imaginations of those who get to view them on the walls.

The Southern Coos Hospital & Health Center will host **Skyscapes! Monday October 5th through Saturday, December 26, 2026.** As usual, you can be creative in your interpretation of the theme, keeping in mind that art on the hospital walls is meant to entertain and de-stress the patients, families, staff, and general visitors. It is not a venue for nudity, violence, morbidity, or as a political soapbox. Thank you for your continued positive approach to art in these shows.

Artists may enter 3 pieces using painting, collage, mixed media, drawing, photography, or assemblage in all artistic styles: representational, abstract, impressionistic, or futuristic. All works must be able to be hung on the wall. **Please try to bring work that hasn't hung in the Hospital Shows before.**

The Southern Coos Health Foundation Arts Program continues to remain free to enter. Please consider donating to the Art Program if you are able. For more information, please email Amy Moss-Strong at AMossStrong@southerncoos.org.
